Dear Ms. Frigon:

This is to inform you that you have completed all requirements for reissuance of Frigon Funeral Home's inspection certificate. Connecticut inspection certificate number 000583 has been reissued to the Frigon Funeral Home, effective September 21, 2001.

Enclosed is a copy of the fully executed Consent Order in accordance with which the certificate has been reissued.

You will receive Frigon Funeral Home's inspection certificate in approximately eight (8) weeks, at your address of record. Instructions regarding future renewal will accompany this document. Failure to renew within ninety (90) days of the due date will result in the inspection certificate becoming void. In that event, reinstatement would require a new application to the Department and another review of the facility to determine if it satisfies current certification requirements. Please be sure to renew the home's certification in a timely manner to avoid the reinstatement process.

It is your responsibility to notify the Department of Public Health, in writing, of any future changes of name and/or address. Such notification is required by law. Failure to do so will jeopardize the status of the home's certification.

If you have any questions, do not hesitate to contact this office at 860-509-7590.

Sincerely,

Stephen B. Carragher
